PIQUA EDUCATION FOUNDATION

Walton Family Engineering Scholarship

Planning to study engineering?

Piqua Education Foundation's Walton Family Engineering Scholarship could help support your education.

1. **Eligible students:** Piqua High School graduates admitted to and attending an engineering program at **The Ohio State University (OSU), Purdue University, or the University of Cincinnati**.
2. **Selection:** Only **one student per Piqua High School graduating class** is selected for this scholarship.
3. **Award amount:** The scholarship provides an award equal to **the current in-state tuition at OSU**.
4. **Continued support:** Recipients will continue to receive the scholarship for **up to four years in total**, provided they maintain acceptable academic progress in an engineering program at a qualifying school and **reapply each year by the application deadline**.
5. **Learn more:** For eligibility details and application information, contact Piqua Education Foundation at **info@piquaeducationfoundation.org**.

Established by Piqua High School alumnus James Walton, Class of 1954, and his family, this scholarship helps Piqua students turn their interest in engineering into future opportunities.
